

ABHINAV PRASAD

BCA (AI & ML) Student at Kalinga University | Intern at Future Interns
| Passionate About AI, Machine Learning & Technology

+91 8109499238 @ abhinavprasadssv@gmail.com https://linkedin.com/in/lidentio Bhilai

EXPERIENCE

Full Stack Web Developer Intern

Future Interns

08/2025 - Present India

Python Developer Intern

YBI Foundation

05/2025 - 07/2025 Chhattisgarh, India

EDUCATION

Bachellor of Computer Applications in Artificial Intelligence and Machine Learning

Kalinga University, Raipur

01/2024 - 01/2027

High School Diploma(12th Grade)

Sri Sankara Vidyalaya

01/2008 - 01/2021

SUMMARY

A strong enthusiasm for advancing in the fields of AI and machine learning is evident, complemented by practical experience gained through internships. Proficiency in Python development and full-stack web technologies has been established, alongside a commitment to leveraging technology for impactful solutions. A solid foundation in data analysis and a keen interest in cutting-edge applications signal readiness to contribute meaningfully to ambitious projects.

KEY ACHIEVEMENTS

Python efficiency optimization

Improved code efficiency by 30% via Python optimization techniques.

Web applications development

Developed three web applications, enhancing team productivity by 20%.

AI certification attainment

Completed six certifications in AI and ML over 3 months.

User experience enhancement

Boosted user engagement by 40% through UX improvements.
